Let's Smile Together

December 2018
Atud Clovis Tendong

"If you don't inspire others with what you've acquired, you will expire... Wisdom is profitable to direct..."

"I was an underprivileged student, and went through turbulent moments in life, but refused to give up! That's why Joyous Charity is out for such persons to encourage, empower, protect, love, care, provide and inspire hope in the hopeless. I know what orphans go through in the Orphanage. They just need hug, love, attention, someone to talk with, someone to care for them, inspire them that they can achieve their dreams even though they're orphans. Just having a wonderful time chatting with them will inspire them Greatly. Thank you! Thank you!"

Saturday 29th of August Went and Donated #Food# and #Non# foodstuffs to Children full of Grace orphanage located in Africa precisely in Limbe Cameroon. The event commenced at Exactly 2:00pm. Speaking during this orphanage visit, the Founder Mr. Atud Clovis encouraged the #orphans# and equally told them to Trust in God Almighty in all what they do, for God is the Father to the Fatherless and Mother to the Motherless. He told them the fact that they are orphans, doesn't stop them from reaching that height they desire to achieve or reach in Life. He told them to keep dreaming big, and that, With God, all things are possible! He also thanks the Administration of the Orphanage for the wonderful work they are doing in bringing up the less privilege kids and orphans living in the orphanage, especially the way they bring them up in the way of the Lord. Other Speakers of the Joyous Charity Team also came in to encourage the Orphans!
